ARS APTA TECHNICAL RIDER

BACKLINE NEEDS:

- All mics and stands pointed out in input list. All necessary cables.
- 5 separate monitors on stage. 5 separate mix lines controlled from FOH (if there's no separate monitor mix desk)
- At least 2 x 2m carpet for using under the drums.
- All gear provided by venue must be up and running before sound check.
- All stage power from same location

BAND WILL BRING:

- Own drums (if not pointed out differently)
- Bass amp (if not pointed out differently)
- Guitar amp (if not pointed out differently)
- Electrical piano (if not pointed out differently)

WE ALSO NEED:

- Backstage room suitable for six people.
- Bottle of still water for every band member (five members)

IF SOMETHING CHANGES OR SOME NEEDS ARE NOT POSSIBLE TO COMPLETE, PLEASE CONTACT OUR MANAGER:

Sten Arvi
